2. Bids will be accepted until **2:00 PM Tuesday, April 23, 2019**, at which time they will be opened at a public meeting at the **Support Services Center, 630 W. 8th St., Lansdale, PA**.
3. A pre-bid conference will not be scheduled for this bid but if you are interested in visiting the sites, please call 215-853-1051 to schedule a visit. Preferred date for site visits is Thursday April 18, 2019.
4. The bid should be submitted in a sealed envelope and clearly marked on the outside, **“NPSD Fire Alarm Maintenance 2019-2022”**.
5. Bids shall be submitted on the enclosed Bid Proposal Form. Bids must be typewritten or written with ink and signed by the individual, partners, or corporate officer.
6. The successful bidder shall bid in strict accordance with the specifications as set forth. Exceptions to the specifications must be clearly stated in the bid submission.
7. Delivery must be fully completed by; as required per the specification.
8. The North Penn School District reserves the right to reject or accept any or all bids or any portion thereof and to waive any informalities permitted by law. Bids must remain firm for a period of sixty (60) days from the date of bid opening. The School District reserves the right to select the next lowest responsible bidder if a vendor’s award totals is less than \$300.00.
9. When a catalog reference follows the description of an item, such catalog reference is intended as a means of more fully describing the item in the shortest possible space and is to be regarded only as a part of the description of the item, and is not intended to limit competition.
10. Bid items must be equal in all respects to those described in the specifications or referred to by catalog number. Should the bidder quote an alternate, complete specifications of the alternate must be provided, including a picture. It is the responsibility of the bidder to establish the equality of the material offered. Failure to supply these specifications may result in the rejection of your bid.
11. Bidder shall insert the price per stated unit and the total cost extension against each item in the schedule hereto annexed, which the bidder has proposed to furnish and deliver. The unit price inserted must be net and must include all delivery charges – No Exceptions. In the event of a discrepancy between the unit prices and the total cost extension, the unit price will govern. The total bid is to be the sum of the quantity times the unit price for each item.
12. Bids may be awarded on an item-by-item basis. Quantities included in this bid are subject to change prior to order placement.
13. A purchase order issued by the School District covering any or all items included in this bid shall constitute a contract binding upon the bidder and the School District.
14. No charge will be allowed for federal, state, or municipal sales or excise taxes, for which the school district is exempt by law. The bid price shall be net and shall not include the amount of any such tax. Exemption certificates, if required, will be furnished on forms provided by the bidder.
15. The bidder agrees, if awarded an order, to furnish and deliver the said articles at such time, to such place, and in such quantities as specified, and that all of the articles shall be subject to the inspection and approval of the School District. Acceptance of delivery of materials or equipment to the site shall not constitute final acceptance by the School District. In the event that any articles are rejected as damaged, or not in conformance with these specifications, such articles shall be removed immediately and other articles of proper quality as set forth in these specifications shall be furnished in place thereof, all at the expense of the successful bidder.
16. In the event that the successful bidder should neglect or refuse to furnish or deliver any articles or any part thereof, or to replace any articles which are rejected as stated in the preceding paragraph, then the School District is authorized and empowered to purchase articles in conformity with this order from such party or parties, and in such manner as it shall select, at the expense of the successful bidder, or to cancel the contract reserving to itself, nevertheless, all rights for damages which may be incurred by the School District.

General Conditions for Bid

Bid Title: NPSD Fire Alarm Maintenance 2019-2022

17. The bidder, upon request, shall submit samples for any or all items on which a price is quoted, within three (3) days after such request is made. These samples shall be plainly marked with the name of the product, the name of the bidder, and the item number as shown on the proposal form. Samples may be returned at the expense of the bidder. Also upon request, the bidder must supply, within three (3) days, a list of schools and/or businesses using the item indicated in their bid.
18. On bids for Services involving the furnishing of labor, materials, and/or equipment, while said Services are being performed the successful bidder must maintain in full effect the following minimum insurance coverage:
 - 18.1 Workers' Compensation.
 - 18.2 Comprehensive public liability in the sum of \$100,000 for each person and \$300,000 for each accident, including contract liability. Such shall be endorsed with a save harmless clause in favor of the North Penn School District, its officers, members, and employees.
 - 18.3 Property damage in the amount of \$50,000.

Prior to the beginning of the Service, etc., to be performed, a certificate of insurance shall be furnished to the School District showing the insurance coverages required above. The Contractor shall assume full responsibility for loss of life and property, injuries to persons, including all employees of the Contractor or Subcontractors.
19. Items shipped DIRECT FROM THE FACTORY must show North Penn School District purchase order numbers on the cartons.
20. Invoicing: Invoices must be submitted for each individual school, completely itemized, and covering each shipment. They should show North Penn School District item numbers, the same as packing slips. No photocopy of a Bid or Purchase Order will be accepted in lieu of an itemized invoice.
21. ASBESTOS: In the event a contractor by virtue of his work for the District discovers asbestos, the contractor must immediately notify the District and perform no further work in connection with the asbestos. If directed by the District to remove the asbestos, the contractor must take all steps required by all federal, state, and local agencies regarding asbestos removal. The asbestos removal operations may be the subject of a change order or a supplemental contract to this contract, or a separate contract to another contractor as the District may determine. If a contractor fails to meet the requirements of the federal, state, and local regulations and these specifications related to the discovery, removal, and clean-up, the contractor shall be subject to immediate termination and the contractor shall be responsible for all costs and expenses related to the removal and cleanup of the asbestos including architect and engineering fees.
22. DISCRIMINATION PROHIBITED: According to Section 755, Public School Code of Pennsylvania, 1949 as amended, the contractor agrees:
 - 22.1 That in the hiring of employees for the performance of work under this contract, or any sub-contract hereunder, no contractor, sub-contractor, nor any person acting on behalf of such contractor or sub-contractor, shall, by reason of race, creed or color, discriminate against any citizen who is qualified and available to perform the work to which the employment relates;
 - 22.2 That no contractor, sub-contractor, nor any person on his behalf, shall in any manner discriminate against or intimidate any employee hired for the performance of work under this contract on the account of race, creed or color;
 - 22.3 That there may be deducted from the amount payable to the contractor under this contract, a penalty of five dollars (\$5) for each person for each calendar day during which such person was discriminated against or intimidated, in violation of the provisions of this contract; and,
 - 22.4 That this contract may be canceled or terminated by the School District, and all money due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms and conditions of the contract.

General Conditions for Bid

Bid Title: NPSD Fire Alarm Maintenance 2019-2022

23. HUMAN RELATIONS ACT: The provisions of the Pennsylvania Human Relations Act, Act 222 of October 27, 1955 (P.L. 744) (43 P.S. Section 951 et. seq.) of the Commonwealth of Pennsylvania prohibit discrimination because of race, color, religious creed, ancestry, age, sex, national origin, handicap or disability, by employers, employment agencies, labor organizations, contractors and others. The contractor shall agree to comply with the provisions of this Act as amended that are made part of this specification. Your attention is directed to the language of the Commonwealth's non-discrimination clause in 16 PA Code 349.101.
24. COMPETENT WORKERS: According to Section 752 of the Public School Code of 1949, no person shall be employed to do work under such contract except competent and first class workmen and mechanics. No workmen shall be regarded as competent and first class, within the meaning of this Act, except those who are duly skilled in their respective branches of labor, and who shall be paid not less than such hours by employers of organized labor in doing of similar work in the district where the work is being done.
25. STANDARD OF QUALITY: The various materials and products specified in the specifications by name or description are given to establish a standard of quality and of cost for bid purposes. It is not the intent to limit the acceptance to any one material or product of lesser quality would not be acceptable. Where proprietary names are used, whether or not followed by the words "or as approved equal," they shall be subject to equals only as approved by the architect, engineer and/or School District.
26. COMPLIANCE WITH POLICY/LAW: Contractor shall comply with all policies, procedures and regulations of the District as established and amended from time to time as well as all applicable state and federal laws and regulations, including but not limited to the provisions of the Pennsylvania Right to Know Law, 65 P.S. 67.101 et seq., regarding possession of public records by agency contractors. In the event the District receives a request for access to a public record that is in the possession of Contractor, the District shall notify Contractor of the request and Contractor shall provide the District with the requested record in a timely manner so as to enable District compliance with the Pennsylvania Right to Know Law.

Contractor shall maintain and provide to the District a current Child Abuse History Clearance as provided by the Pennsylvania Department of Human Services, a satisfactory PA State Criminal History Report, and a Federal Criminal History Record Report (FBI Fingerprinting) for each individual engaged by Contractor to provide services who will have direct contact with children, including Contractor (if an individual).

Contractor agrees to comply with the provisions of Act 168 of 2014, Employment History Review Law and, to the extent applicable, Act 126 of 2012, Child Abuse Recognition and Reporting Training.

Non-Collusion Affidavit

Instructions:

1. This Non-Collusion Affidavit is material to any contract awarded pursuant to this bid. According to the Pennsylvania Antibid-Rigging Act, 73 P.S. 1611 et sec., governmental agencies may require Non-Collusion Affidavits to be submitted together with bids.
2. This Non-Collusion Affidavit must be executed by the member, officer or employee of the bidder who makes the final decision on prices and the amount quoted in the bid.
3. Bid rigging and other efforts to restrain competition, and the making of false SWORN statement in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the bidder with responsibilities for the associated approval or submission of the bid.
4. In the case of a bid submitted by a joint venture, each party to the venture must be identified in the bid documents, and an Affidavit must be submitted separately on behalf of each party.
5. The term "Complementary Bid" as used in the Affidavit has the meaning commonly associated with that term in the bidding process, and includes the knowing submission of bids higher than the bid of another firm, any intentionally high or non-competitive bid, and any other form of bid submitted for the purpose of giving a false appearance of competition.
6. Failure to file an Affidavit in compliance with these instructions may result in disqualification of the bid.

2.0 Contract

A contract will be issued to the most qualified low bidder. The terms of the contract are identical to the Terms and Conditions of the contract indicated in the beginning of this bid. The District has the right to award the service contract as a whole or divided among numerous vendors.

2.1 Contract Period

The contract period for this service contract is for one year with the option of renewing the contract for two additional years. Starting date for this service contract is **July 1, 2019** and will be renewed yearly with the final contract ending no later than **June 30, 2022**. **NOTE:** This bid is for a three (3) year contract. The North Penn School District reserves the right not to renew the contract, without cause, for any subsequent year. In addition, North Penn School District reserves the right to extend this contract at the end of its term for up to an additional three years.

2.2 Contract Pricing

This contract is a combination of Firm Fixed Pricing and Unit Pricing. The Firm Fixed pricing is intended to cover all required inspections, testing, certifications, and normal preventive maintenance recommended by the manufacturer of the fire alarm system. The Unit Pricing is intended to be used for any required repairs outside of the normal preventive maintenance. The unit pricing will include the cost of labor and percentage mark-up of materials. **The North Penn School District reserves the right to award this bid to multiple vendors. Bidders may submit an alternate pricing schedule or discount for consideration to award this contract on an all or nothing basis.**

2.3 Contract Billing

This contract shall be invoiced on a quarterly basis. The proposed yearly amount will be divided by 4 and paid in September, December, March, and in June of each contract year.

3.0 Contract Staffing

The contractor shall provide sufficient staffing, equipment, and supervision to accomplish this work.

- North Penn School District reserves the right to request that a technician or technicians be replaced if NPSD determines or decides that the technicians do not have sufficient technical skills, training, or experience to perform the required service.
- North Penn School District reserves the right to request verification that the specific technician has been factory trained by the specific manufacture of the systems being serviced.

4.0 Work and/or Equipment Provided by North Penn School District

North Penn School District will not provide any labor, materials or equipment (including ladders and lifts) to the contractor for any work under this contract.

5.0 Disposal of Waste Material

All waste materials generated by the contractor performing work under this contract will be disposed of off site by the contractor at the contractor's expense.

6.0 Quality Assurance

The contractor shall:

- Engage only certified, trained, skilled, and experienced fire alarm staff properly trained to insure that all services provided under this contract are expeditiously and safely completed.

- The contractor shall maintain sufficient service trucks and trained personnel to insure proper operation of the fire alarm systems and a maximum **two (2) hour** response for all emergency calls for service.
- Subcontracting is only permitted for proprietary program changes or modifications. This would be billed as an additional service to the contract.

7.0 Field Measurements

It is the contractor's responsibility to verify all equipment quantities and equipment required to perform this service. An inventory of equipment is included in Appendix A.

8.0 Safety

Safety of students, staff and visitors is paramount in executing this contract. This contractor should never compete with school activities to continue/complete his work. If necessary, this contractor will return to occupied areas after normal working hours.

Contractor shall work safely and is responsible to block off the work area to keep others out if needed and maintaining a safe work area.

All work under this contract must follow **ALL** state and federal environmental rules and regulations. Special precautions must be taken around asbestos containing materials (AHERA Regulations).

9.0 General Details of Work

Whether stated or not the essence of this contract is to provide and maintain a complete and safely operating Fire Alarm System at the above listed District buildings. This service consists of the following items of work:

- All work for each of the Fire Alarm systems listed in Appendix A are to be completed in accordance with all applicable OSHA, NFPA, building codes, the manufacturer's recommended procedures; local, state or federal regulations, which ever is more stringent / more applicable.
- Report to the facility supervisor or head custodian before any work is started. Contact the Facilities Office at 215-853-1104 if a facilities representative is unavailable.
- Provide the facility supervisor or head custodian a schedule of anticipated preventive maintenance inspections and scheduled services.
- The Contractor shall perform one site test and inspection during the summer months between July 1 and August 20. All semi-annual inspections and maintenance must be scheduled with District personnel, when schools are not in session.
- The Contractor will prepare a written certificate of the inspection and list of work completed and any repairs needed / recommended for each of the Fire Alarm systems.
- Immediately inform the appropriate District officials of **ALL** safety related issues and required repairs.
- Repairs (beyond preventive maintenance) shall be done at the hourly rate, unit prices, and

discounts offered below. North Penn School District reserves the right to purchase repair or replacement parts outside of this contract and install these parts with in-house staff.

- Provide support for any local Fire Marshal or state inspections.
- Prepare a service report that **MUST** be reviewed with and signed by the facility supervisor or head custodian. This report will show the results of any on site testing, interpretations of testing results and any corrective action taken by the service technician. A separate report must be submitted for each building system. A copy of these reports must be kept in a contractor supplied file at each District site. Submit electronic reports to the Director of Facilities.
- Provide labor for all emergency services. **Two (2) hour response time, minimum.** Normal hours are between 7:00 am and 5:00 pm and after hours are from 5:01 pm and 6:59 am. Parts will be invoiced outside of the contract.
- Provide labor for all preventive maintenance and inspection services. Parts typically recommended for replacement by the manufacturer are included in this contract; all other replacement or repair parts shall be invoiced outside of the contract. North Penn School District reserves the right to purchase repair or replacement parts outside of this contract and install these parts with in-house staff.
- Pricing for this preventive maintenance and inspection services contract must include all supplies, parts, and materials typically recommended by the manufacturer and or are general industry standard. All repair parts will be billed separate from this contract.
- The fee shall include one annual training session in each building for the Maintenance personnel in the operation of the Fire Alarm system. This training can be done when the Fire Alarm system is being inspected or separately as the Contractor wishes.

9.1 Specific Details of Work

The Contractor shall perform the following items yearly as a minimum requirement of this contract. If any local, state or federal code or requirement exceeds the following requirements, the contractor is obligated to perform the testing and inspection services in accordance with those requirements.

- An annual functional test and inspection shall be performed during the summer months that includes 100% testing, inspection and maintenance of all applicable alarm initiating devices and components of the fire alarm system, including but not limited to smoke detectors, heat detectors, duct detectors, pull stations, input/output modules, water flow and tamper modules, magnetic door holders, etc., as per the latest edition of the National Fire Protection Association – National Fire Alarm Code. Specific records must be kept to indicate all devices tested.
- Contractor is responsible to conduct all other code required monthly, quarterly and semi annual functional and visual inspections, tests, service and maintenance as required by NFPA 72. All monthly, quarterly and semi annual functional and visual inspections shall be closely scheduled with the Coordinator of Facilities.
- 100% of all Smoke Detectors shall be cleaned yearly. Sensitivity testing shall be performed in year one of this contract and then in accordance with NFPA.

- The Contractor shall test & inspect all detectors, contact devices, panels, loops, indicating devices, control circuits, supervisory devices, auto dialers, and any other equipment associated with the Fire Alarm system to ensure their proper operation.
- Testing and preventive maintenance shall be performed following the device manufacturer's guidelines. All work under this Contract to be performed during normal working hours at times that the schools are not in session. If the contractor fails to perform the testing and inspection services at times when the school is not in session, it is the contractor's responsibility to perform the testing and inspection services after hours so as to not disturb the schools. All additional charges incurred by the contractor such as; overtime, additional travel time, additional supervision, or additional costs for equipment shall be borne by the contractor. The North Penn School District will not pay of any additional costs to this contract as the result of scheduling problems. If the North Penn School District must provide Maintenance Personnel during these times, the Contractor shall reimburse the North Penn School District for all hourly rates, overtime, benefits, taxes and all costs incurred for this service.
- A written certification of the system shall be provided to the owner after the completion of the annual inspection visits and successful inspection of all fire alarm equipment.
- Replacement of fire alarm and communicator panel batteries and their disposal shall be part of the corrective maintenance services.
