FEDERAL FUNDS ADDENDUM FOR CONTRACT FUNDED WITH FEDERAL FUNDS

(A) Vendor Violation or Breach of Contract Terms

Under 2 CFR Part 200, and specifically § 200.327 and Appendix II, contracts for more than the simplified acquisition threshold (currently set at \$250,000), which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council as authorized by 41 U.S.C. 1908, must address administrative, contractual, and legal remedies if contractors violate or breach contract terms, and must provide for appropriate sanctions and penalties.

In addition to other terms stated in the Contract, Vendor at no cost to the District shall promptly correct any errors, omissions or defects in any product, services, or other item Vendor is required to deliver. The District reserves the right to reject any item reasonably determined by the District as containing errors, omissions or defects or otherwise failing to conform to the Contract. If Vendor fails to make corrections within a reasonable time, in addition to any other remedies available at law or in equity, District may at its option: (1) Make corrections and offset the cost of correction against any balance remaining owed to Vendor, and Vendor shall reimburse the District for any cost in excess of the balance. (2) Terminate the Contract, in which case Vendor at no cost to District shall remove any tangible items provided to date. (3) Accept delivery not in accordance of the Contract, instead of requiring removal or correction, in which case the contract sum will be reduced as appropriate and equitable. Such adjustment shall be affected whether or not final payment has been made.

This term shall apply without regard to the Contract amount.
