

LET'S GET REAL:

Prevention for Prom & Graduation Season

*You'll hear all about prom and graduation...but what about the **after parties**?*

There can be serious consequences to underage partying, especially if drugs and alcohol are involved. Join us for an informative presentation about how to stay safe during prom and graduation season!

We'll talk about:

- The effects of drugs and alcohol
- Symptoms of alcohol poisoning
- The Good Samaritan law
- Consequences for parents who host parties for underage children

Featuring:

- **Mary Ciammetti**, Founder of *Don't Stall, Just Call* and *The CTC Wellness Foundation*
- **David Fialko**, *Nationally Certified Tobacco Treatment Specialist and Internationally Certified Prevention Specialist*
