January 2021 – Gwyn-Nor Newsletter

Daily News:

- December was so crazy! First we missed being back at school for the first week of December. Regardless we still tried to accomplish what we have done here at Gwyn-Nor for 15+ years; all our crafts are also gifts for the children to make for friends, siblings, and family members. The children who participate making the crafts have so much fun wrapping the gifts and giving something they personally made. We are happy to announce that this year's walking club seems to be going very well even with all the socially distancing needed to make the club work. We will keep the walking club going at least through February so that we still have some sort of physical activity that we can provide while stuck indoors and without a gym available.

Important Information:

- Please remember to park your car in the designated parking spaces when dropping off and picking up your child from the Extended School Care Program.
- When snow storms are predicted...listen to the radio for number 303 or watch NPTV (Comcast Cable channel 28 and Verizon FIOS Channel 29). If the schools are closed, the NPESC Program will not operate. If a one hour delayed opening occurs, the before school program will begin at 8:00 a.m. If a two hour delayed opening occurs, the before school program will begin at 9:00 a.m. A three hour delay opening occurs, the before school program will begin at 10:00 a.m. If weather conditions worsen and schools close early, parents will receive a reminder call to note that the NPESC Program will close two hours after school dismissal. If you are unsure it is always wise to check the North Penn School District website which will also contain the information you will need during inclement weather and when or if there will be Extended School Care.
- The safety of all the children is very important to all of us. It is essential that we receive some sort of notification if your child will not be attending in the afternoon or you will receive a phone call to verify where your child should be. Please use the contact cards,
found on the sign in/out desk to contact us with any changes. We will do everything in our power to make sure all our children are where they should be each day. We need your help to make this happen.

- As a reminder, we are accepting credit card payments. Visit the website at www.payonlinenorthpenn.org to set up an account. If you would like to set up automatic credit card payments please call the Extended School Care Office at 215-853-1039 for assistance. All payments are due by the due date on your bill and late fees will be charged 5 days after the due date on your bill.
- **All children, parents and staff will be required to wear a mask at all times while in the program.**
- **Parents will be required to check their children for COVID-19 related symptoms prior to sending them to school & the Extended School Care Program. Children exhibiting these symptoms of illness shall stay home.**
- **Please send a spare mask in a ziplock baggie for your child in their backpack.**
- **We will be reinforcing hand washing, social distancing (6 feet) and good hygiene practices throughout the day.**
