January Activities
The Montgomery Extended School Care staff hopes all of our families had a wonderful, healthy, and relaxing winter break.

Group 1’s crafts this month will be centered around different snowy and winter crafts. We will make paper snowflake chains, Frosty the Snowman, and door hangers. We will be creating arctic slime made with glue and laundry soap. Only 3 more months until spring!

The winter season has arrived. Group 2 will be making wood slice penguins, snowman crafts, and other winter-themed projects. We will also celebrate Martin Luther King Jr. Day by making friendship bracelets and peace paintings. During science, we will continue our 6 week unit on animals of the past, present, and future.

For physical activity, the students will play Winter Charades, Snowball Toss, and Frosty, Frosty.

Farewell 2020 and Happy 2021! We wish you all a happy, healthy, and prosperous new year.
