### **What Have We Been Doing**

Fall is in the air! We painted 2 trucks to haul all of the pumpkins that the children colored. The back bulletin board looks great! Thanks to Adveya K. for her help putting it all together. We also made trucks out of popsicle sticks. We made foam bats on a stick, cute spoon scarecrows, paper hand scarecrows and ghost and pumpkin lanterns.

Group 2 helped make the clay pot pig which is now in our garden.

As long as the weather is nice we will be going outside in the afternoons.
