Welcome Autumn:

Dear ESC Families,

Happy October! We had a great first month of Extended School Care and we're so excited for what else this year brings us! We would like to thank all parents and guardians who helped us get E.S.C. off to a great start. Hopefully, if the weather stays nice we can plan on getting outside in the morning and in the afternoon. Keep alert when dropping off or picking up your child/children to be on the lookout for our notification flags on the fence so you will know if the children are at the playground or in the gym. Just an F.Y.I. when the staff and children are transitioning from the playground or from the gym to the cafeteria there may be a small delay in opening door #15. Thank you for your flexibility and patience.
